Exhibit A: Software Maintenance Agreement

DirWiz offers software support for Directify under this annual Software Maintenance Agreement (the "Agreement" or the "Maintenance Agreement"). The Maintenance Agreement provides for the following services:

- During the term of the Maintenance Agreement, DirWiz will provide unlimited phone and email support during regular business hours of 9 a.m. to 5 p.m. EST for any issues directly related to Directify and any replacements or revisions thereof (the "Software"). A current Maintenance Agreement entitles the User to technical support and software upgrades as they become available during the term of the Maintenance Agreement and to purchase additional Software, Directory Licenses, and renewal of Software Maintenance without having to repurchase the base installation or pay a Reinstatement Fee. The services provided by DirWiz under this Agreement may be renewed by the User on an annual basis by payment of the applicable Software Maintenance Fee (the "Maintenance Fee"). Users may choose not to renew the Software Maintenance coverage upon its expiration. However, DirWiz reserves the right to impose a Reinstatement Fee upon any User who wishes to resume Software Maintenance after any lapse in coverage.
- During the term of the Maintenance Agreement, DirWiz will make all upgrades and new releases of the Software available at no additional cost to customers who have a current support contract. Upgrades and new releases will be available for download from the DirWiz web site. From time to time, DirWiz may create replacements or revisions to Directify with functions, performance and other features equivalent or improved in comparison to Directify. For maintenance and technical support reasons, it may be necessary to install such replacements or revisions in lieu of User's copy of Directify during the term of this License Agreement (and without additional charge to User), and User agrees to cooperate reasonably with DirWiz in any such installation.
- Any log files or other information provided by Customer to DirWiz for use in problem solving will be treated as Confidential Information by DirWiz and will not be made available to any third party without the express written consent of the User.
- DirWiz will send a renewal notice with current Maintenance Fees to renew the Maintenance Agreement to User approximately 2 months before the current Agreement expires to insure the availability of continued coverage.
- Email and phone support information is available at <https://www.dirwiz.com/support>. Phone support is available from 9 am to 5 pm, EST, on normal working days. Response time to acknowledge receipt of email is usually 4 hours or less during normal working hours.
- In all cases of phone or email contact, DirWiz will attempt to reply as quickly as possible.
- Error Correction. DirWiz shall employ commercially reasonable efforts to correct any material failure of the Software to conform to specifications, functions, descriptions, standards and criteria set forth in this Agreement and the applicable specifications of the Software that has been or shall be delivered to User.
- End of Life. From time to time, DirWiz may notify Users that certain versions or revisions of the Software will no longer be supported through this Maintenance Agreement and that, in order to continue coverage under the Maintenance Agreement, the User may be required to install and use an updated version or revision of the Software or equivalent software.
- This Maintenance Agreement shall include other terms and conditions described on DirWiz's website at <https://www.dirwiz.com/maintenance>. The terms and conditions set forth at this web page are incorporated herein by reference and shall have the same force and effect as if set forth in full herein. In the event of any conflict between the written terms of the Agreement and those set forth on the web page, the terms set forth on the web page shall control.

- The first one (1) year of Software Maintenance is included with the purchase of a License Agreement for the Software. The annual fee in subsequent years shall not exceed fifteen percent (15%) percent of the then-current purchase price for a License Agreement for the Software. The Software Maintenance Agreement shall be effective for one (1) year following the Effective Date of the License Agreement or following the payment of the Maintenance Fee, as applicable.
- Termination: This Software Maintenance Agreement will terminate upon the expiration of ten days following the annual renewal date of the Agreement if payment of the annual fee is not received. DirWiz reserves the right to require a reinstatement fee of an amount equal to the Software Maintenance fees for the entire term of the lapse in service prior to reinstating Software Maintenance. DirWiz may terminate this Agreement if Licensee is in default of any of the terms and conditions of this Agreement or the License Agreement and fails to correct such default within ten (10) days after written notice thereof from DirWiz. In the event of termination, User will immediately discontinue use of the Licensed Programs.
